

Learning from Mumbai: Practising Architecture in Urban India

Filesize: 3.2 MB

Reviews

It is one of the best ebook. It really is filled with knowledge and wisdom I realized this publication from my dad and i advised this publication to understand.

(Raina Lockman)

LEARNING FROM MUMBAI: PRACTISING ARCHITECTURE IN URBAN INDIA

[DOWNLOAD](#)

Mapin Publishing, Ahmedabad, 2013. Soft cover. Book Condition: New. 24 cms. 192pp. 57 colour photographs, 14 colour drawings, Opening with the reflections of Indian architects Rohan Varma, Charles Correa and Rahul Mehrotra on the past, present and future of architecture and planning in Mumbai, the book continues with interviews with a wide variety of local and foreign architects and planners who work in Mumbai. The ins-and-outs of practising architecture and planning in this megacity are explored through their eyes. Small but exciting firms (such as Brio Architecture) find a place right beside massive commercial architecture firms (including Hafeez Contractor) and activist?architects (such as PK Das and Somaya & Kalappa). Teaching architecture in Mumbai is also discussed extensively, as well as several micro-initiatives that have come up with creative solutions for making the city more liveable and beautiful. Lavishly illustrated, covering the many faces and facets of Mumbai, a special place is reserved for the images of photographer Bas Losekoot. With his photo essay, he projects an intriguing new light on Mumbai and its inhabitants. This book will be of interest to architects, planners, architecture and planning students, for those thinking of starting an architecture, or planning, firm in India, as well as for anyone interested in Mumbai and Mumbai's built environment.
