Brand New Book ***** Print on Demand *****.From the author: The inspiration for this collection of stories was my daughter Lea. Whether she was four or fourteen, she hated to be lectured. But if the subject matter of our discussion was inbedded in a story, she would not only listen, but learn. She always liked stories she could relate to whether the characters could be used as good examples or bad. During an early doom-and-gloom personality period, I wrote Chin Up and Chin Down. She loved the story and it really helped. On another occasion years later, I asked her what she wanted to be someday and she replied, I want to be rich. That was the origin of The Fool s Gold. After that, I guess I got carried away and wrote other stories that I hoped she would enjoy and would leave a lasting impression. Lea always said that these stories were her favorites and now I have finally published them. I hope you like them, too. And by the way, Lea is grown up now and turned out great! Most stories for young readers offer a brief form of entertainment with very little lasting value. But with Lea s Lessons, readers will get lost in these unique, entertaining stories, each with an underlying theme and unforgettable characters. Every story provides value as well as enjoyment. What others have said: I LOVE these stories! Teaching students how to identify the theme in literature can be challenging, however, these short stories are an excellent way to guide instruction. They lend themselves perfectly for discussions about the moral, or life lessons, (theme) that the characters learn through their trials and tribulations. These tales are...
