Peter Lang Publishing Inc, United States, 1989. Hardback. Book Condition: New. 218 x 152 mm. Language: English . Brand New Book. Through an extensive examination of the conceptions of social justice that may be ascribed validly to Karl Marx s political thought, Elliot R. Pruzan analyzes the apparent conflict between Marx as -value-neutral- social scientist and as revolutionary. He suggests a resolution to this conflict through a carefully constructed presentation of Marx s theory of human nature and the ethical presuppositions of that theory. In so doing, Pruzan identifies those elements of Marx s political thought that warrant our continued serious consideration of it as a genuine theory of politics, especially when compared with other more traditionally conceived forms of political thought.
