## THE ADVENTURES OF HERMAN SOMNAMBULA, PHD THE TROUBLING CASE OF RUSTY MCNUTT VOLUME 1

Dwayne Riner. Paperback. Book Condition: New. Paperback. 148 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Herman Somnambula, PhD (that's pronounced Sm-nm-b-l) has created the most fantastic invention known to mankind: a time travel device. This is not like any of his other inventions, this one actually works. . . he thinks. Herman won't know for sure until he actually tests the device. With this invention, though, Hermans dreams of finally receiving all of the great scientific awards will be realized. He may even become known as the greatest scientist and inventor the world has seen. That's why Herman has decided that it is time to put the time machine through its first official experiment. Along with his niece, Hannah, Herman plans to take the maiden voyage into the past and become the first person to ever travel through time. However, a mysterious figure from Hermans past, Rusty McNutt, has different plans for the scientist. Herman doesn't know it yet, but he is about to come face to face with the biggest challenge of his life. One thing is for certain, the lives of Herman and Hannah Somnambula will never be the same. Get ready for the journey of a lifetime in the exciting Adventures of Herman Somnambula, PhD! Parents, this exciting children's book combines action with adventure that will keep your kids turning page after page. Parents will love how Herman teaches kids history and important virtues along the way. It's a great story to read aloud as a family. Of course, your middle grade reader will love the challenge of reading it by themselves too. Herman Somnambula was created by Dwayne Riner as a college student while he was teaching kids at his church. He wanted to find a way to entertain kids while teaching the important Christian values. In fact, Dwayne...
