## A Clinical Manual of Mental Diseases (Classic Reprint)

By Francis X Dercum

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Clinical Manual of Mental Diseases The generous reception accorded the first edition of this manual justifies the inference that a purely clinical presentation of mental disease fulfils a distinct want. The practising physician has too often looked upon insanity as a subject unattractive and obscure, difficult and abstruse, and with which, because of the speculative and metaphysical character of its theories and explanations, he has no immediate concern. The truth is, however, that when viewed from the standpoint of internal medicine it is brought into close and intimate relations with the latter. This becomes especially evident when we realize that many cases of mental disease have their origin in infections and intoxications, while others present problems which are essentially those of disorders of metabolism. Many of the latter have to do with profound nutritional disturbances which have their origin in defensive reactions of the organism to intoxications. Such intoxications may arise from without or, it may be, from within the organism. Among the latter are toxic states due to abnormalities of the various glands...
