THE EXPERIMENT

Garnet Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, The Experiment, Myrto Azina-Chronides, Irena Joannides, The Experiment can be described as 'a study of erotic love and the soul'. The two main characters undertake to write a play together, as an experiment, to see if they can succeed where others have failed, in achieving true collaboration and union through their writing. The result of this experiment is a stream of consciousness and a collection of tales in which themes such as love, sex, religious ecstasy, psychiatry and myth are intertwined. The book's style is unique, as it attempts to unify subtly connected narratives, partial tales that lean toward the structure of a more synthetic prose piece, but which cannot be regarded as either novella or novel. The book in its original Greek was awarded the prestigious European Prize for Literature in 2010. The aim of this prize is to put the spotlight on the creativity and diverse wealth of Europe's contemporary literature in the field of fiction, to promote the circulation of literature within Europe and encourage greater interest in non-national literary works. Translated into English, The Experiment offers the reader a unique and enriching reading experience which transcends literary and cultural norms.
