(Laurence Littell)

SATIRISTAS: COMEDIANS, CONTRARIANS, RACONTEURS VULGARIANS (HARDBACK)

It Books, United States, 2010. Hardback. Book Condition: New. 234 x 190 mm. Language: English . Brand New Book. Our nation's finest comedians, contrarians, and comic subversives come together to discuss the nature of humor, its relevance to society, and how simply speaking the truth as one sees it can give life meaning. We are living in a new golden age of satire. In a nation divided, polarized, and cynical of official news and information, it's no surprise that more young people get their news today from Jon Stewart and Stephen Colbert than from 60 Minutes and CNN. The people who speak the most openly and fearlessly are our satirists. Politics and culture are analyzed, criticized, scandalized, and energized by comedians with no agenda other than to create the laughter and shock that comes from recognition and truth. Perhaps the greatest collection of comic talents ever between two covers, *Satiristas!* is a collaboration between Paul Provenza, comedy's insider inquisitor extraordinaire, director/co-creator of the film *The Aristocrats*, and star of Showtime's *The Green Room* with Paul Provenza and Dan Dion, comedy's most celebrated portrait photographer. A virtual who's who of iconoclastic comedy, the book is an epic, hilarious, multivoiced manifesto on satire and comedy, and a revelatory study of the complexities and inner workings of the comic mind. Balancing on the razor's edge of communicating important ideas without pretense or condescension, political comedians Stephen Colbert, Bill Maher, and Lewis Black weigh in with late-night monologists Jay Leno and Craig Ferguson. Veterans like Conan O'Brien, Robin Williams, Richard Lewis, and Roseanne Barr speak their minds alongside comedy legends such as the Smothers Brothers, Tom Lehrer, Lily Tomlin, and the late, great George Carlin. Also represented are creators, writers, and producers of *The Daily Show*, *South Park*,...
