Book Description Every relationship has its ups and downs, the moments when someone says, ""I'm so in love I can't imagine being single,"" and the moments when they wonder, ""Who is this alien beside me? "" But the good news is that the excitement and romance a couple knew at the beginning can be restored and sustained. Based on the same model of guerrilla survival skills that made her book Guerrilla Dating Tactics such a success, Sharyn Wolf takes the same playful, humorous approach to solving relationship problems--from the lingering dirty socks in the bedroom to the bigger issues like children, housework, sex, and communication. In this step-by-step guide to diagnosing and treating your relationship problems, hundreds of simple strategies are provided to get your relationship back on track.
