I teach you not religion but religiousness, a flowing river continuously changing its course but ultimately reaching to the ocean. A rock may be very ancient, far more experienced, but a rock is a rock and it is dead."A religion should not be a dead organization, but a kind of religiousness, a quality which includes truthfulness, sincerity, naturalness, a deep let-go with the cosmos, a loving heart, a friendliness towards the whole. For these no holy scriptures are needed."Religiousness is an individual affair."It is a message of love from you to the whole cosmos."
