Reviews

It is one of the most popular ebooks. Better than ever, though I am quite late in starting to read this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

James guided the knife toward his own throat. Go for the neck, the blood vessels and the windpipe. You'll have to be close for that. Quick. He lowered the stiletto until its tip grazed his neck just above his collarbone. Her eyes widened, and she looked to his face. He smiled and tightened his hands around her wrist. Never let your guard down. Never trust anyone, and never leave yourself vulnerable. What if I'd surprised you just now I could have been sent by someone to kill you. You wouldn't have. She arched her eyebrow. I wouldn't have killed you. You wouldn't have surprised me. He continued. You have...
