In his book, *Spiritual Innovation*, Cole asks how we got where we are, what God might be saying today, and what that means for our future. While we fight to control ourselves and create systems to control those around us, God is calling us to a new level of freedom and expectation. *Spiritual Innovation* frees us to approach the world and life in God with a new level of curiosity and creativity. While highlighting the importance of honoring the past, *Spiritual Innovation* encourages us to shift the world around us today and expect to be exceeded in the future. What are people saying? Cole helps shift and challenge how we see our relationship with Jesus, focusing on the practical realities of what it means to see heaven on earth. Cole not only talks about faith and creativity, he lives it out in his love for the Church and the world.
