But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, he marks me. If I don't kill him first, that is." "Onyx" "Daemon's determined to prove what he feels for me is more than a product of our bizarro connection. So I've sworn him off, even though he's running more hot than cold these days. But we've got bigger problems. I've seen someone who shouldn't be alive. And I have to tell Daemon, even though I know he's never going to stop searching until he gets the truth. What happened to his brother? Who betrayed him?
