The Secret Mothers' Club

By Joanne Fedler

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, The Secret Mothers' Club, Joanne Fedler, Based on true conversations with real women, "The Secret Mothers' Club" is a funny, irreverent and often heartbreaking look at women, friendships and motherhood. One evening in late June, a group of female friends get together for an old-school sleepover. It is a regular reunion for eight very different women, with very different lives, secrets and fantasies. The only unifying factor - they are all mothers. Be warned, you will recognise yourself and your friends within these pages - theirs are conversations we've all had: about our weight; our fantasies - sexual and otherwise; those school lunchboxes; mother's guilt; our partners; the endless struggle to balance work, housework, family and sanity; and the seemingly impossible task of deciding what to feed the family every single night of the week. This is a book about the delicate nature of mothering, the beauty and complexity of friendships, and the way in which women judge, but also support, one another.
