

Angola: Malaria Operational Plan Fy 2015

Filesize: 9.69 MB

Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

ANGOLA: MALARIA OPERATIONAL PLAN FY 2015

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The President's Malaria Initiative (PMI) is a core component of the Global Health Initiative (GHI), along with other U.S. Government activities to combat HIV/AIDS, and tuberculosis. PMI was launched in June 2005 as a 5-year, \$1.2 billion initiative to rapidly scale up malaria prevention and treatment interventions and reduce malaria-related mortality by 50 in 15 high-burden countries in sub-Saharan Africa. With passage of the 2008 Lantos-Hyde Act, funding for PMI has now been extended. And as part of the GHI, the goal of PMI has been adjusted to reduce malaria-related mortality by 70 in the original 15 countries by the end of 2015. This will be achieved by continuing to scale up coverage of the most vulnerable groups - children under five years of age and pregnant women - with proven preventive and therapeutic interventions, including artemisinin-based combination therapies (ACTs), insecticide-treated nets (ITNs), intermittent preventive treatment of pregnant women (IPTp), and indoor residual spraying (IRS). Angola was selected as a PMI country in FY 2005. Large-scale implementation of ACTs and IPTp began in Angola in 2006 and has progressed rapidly with support from PMI and other partners. Rapid diagnostic tests (RDTs), ACTs, and IPTp are now available and being used in public health facilities nationwide, and millions of long-lasting ITNs have been distributed. This FY 2015 Malaria Operational Plan presents a detailed implementation plan for Angola, based on the USG malaria strategy and the National Malaria Control Program's (NMCP's) strategy. It was developed in consultation with the NMCP and with the participation of national and international partners involved in malaria prevention and control in the country. The activities that PMI is proposing to support fit...
