In its present form, however, the sketch has been prepared directly with a view to meeting the needs of the St. Louis Society of Pedagogy in so far as one of the Sections of that Society is organized for the express purpose of studying Ethics. On the other hand, as in my Syllabus of Psychology, so here, I have omitted details and have sought thus to bring into so much the clearer view the essential aspects of the subject, and have attempted also to indicate the vital relation which those aspects sustain one to another in the organic unity of human life.
