Reviews

Great e book and helpful one. It really is written in straightforward terms and not hard to understand. You can expect to like how the blogger wrote this book.
(Hudson Christiansen)

AT THE BOTTOM OF SHAKESPEARE S OCEAN (HARDBACK)

Bloomsbury Publishing PLC, United Kingdom, 2009. Hardback. Book Condition: New. 200 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a fascinating study revealing Shakespeare s career-long engagement with the sea and his frequent use of maritime imagery. We need a poetic history of the ocean, and Shakespeare can help us find one. There s more real salt in the plays than we first expect. Shakespeare s dramatic ocean spans the God-sea of the ancient world and the immense blue vistas that early modern mariners navigated. Throughout his career, from the opening shipwrecks of *The Comedy of Errors* through *The Tempest* , Shakespeare s plays figure the ocean as shocking physical reality and mind-twisting symbol of change and instability. To fathom Shakespeare s ocean - to go down to its bottom - this book s chapters focus on different things that humans do with and in and near the sea: fathoming, keeping watch, swimming, beachcombing, fishing, and drowning. Mentz also sets Shakespeare s sea-poetry against modern literary seascapes, including the vast Pacific of *Moby-Dick* , the rocky coast of Charles Olson s *Maximus Poems* , and the lyrical waters of the postcolonial Caribbean . Uncovering the depths of Shakespeare s maritime world, this book draws out the centrality of the sea in our literary culture. *Shakespeare Now!* is a series of short books that engage imaginatively and often provocatively with the possibilities of Shakespeare s plays. It goes back to the source - the most living language imaginable - and recaptures the excitement, audacity and surprise of Shakespeare. It will return you to the plays with opened eyes.
