### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

In this way of playing, no player throws out the pieces of his neighbours; and when the game is in full swing, he allows each piece which happens to come into the row in which he is, to move according to his own throw, as a sort of compliment to a guest.
