In character of expenditure these concessions are similar to expenses incurred in cutting through paving which create no property value for the Company but are necessary in order to supply service. Because of the tangible character of the investment and in accordance with the principles previously discussed and cases cited, the item of \$575,700.00 for free wiring is included in capital. The so-called free wiring done at present represents cost of wiring signs, Tungsten fixtures, posts, etc., and the value thereof is returned in the service charge. Below is a summary of the excess cost of acquired properties and allowance for free wiring included in this report for valuation purposes. A deduction made by the Company in its annual writing off is included therein, for the reason that the...
