MINORITY REPORT

Orion. 1 Paperback(s), 2005. soft. Book Condition: New. The Department of Precrime has cut major crime by almost 100 percent, in the 1956 short story by Philip K. Dick that inspired the Steven Spielberg film Minority Report. No one doubts the efficiency and fairness of a system that can look into the future, arrest soon-to-be criminals, and punish them before they can commit the crime until the Precrime Commissioner himself is accused, and must go on the run as a convicted murderer to prove his innocence. Eight other stories are also presented in this collection, including We Can Remember it for You Wholesale, the inspiration for the film Total Recall. A visionary, Hugo Award-winning author, Philip K. Dick was inducted posthumously into the Science Fiction Hall of Fame. His stories have also been made into other blockbuster films like Blade Runner, and he was the first science fiction writer to be included in the Library of America series. 290.
