There is an artist inside each of us, just waiting to be recognized! Douglas Gilbert s very human and inclusive approach to the timeless phenomenon of art-making applies to everyone! My batteries get recharged. I have more confidence and more energy for work in general. - Michael Feldman, Creative Director With Doug s supportive and nurturing presence I have been able to go deeper into myself through my imagery than I ever thought possible. This has led to very real, tangible healing, and I will always be grateful for having been his student. - George Collins, Student As participants in Doug s workshops we create a bond of kinship and community because what we reveal to one another is strong and juicy and true. - Carla Steinberg, Ph.D, Writer/Teacher The images we create speak with uncompromising clarity. They reveal the core issues and tasks at the heart of our psychological and spiritual development. Doug s understanding of this is profound. - Ben Kanne, MFCC.
