

## Our Tree Named Steve

By Alan Zweibel, David Catrow

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, Our Tree Named Steve, Alan Zweibel, David Catrow, "Dear Kids, A long time ago, when you were little, Mom and I took you to where we wanted to build a house. . . . I remember there was one tree, however, that the three of you couldn't stop staring at. . . ." After the family spares him from the builders, Steve the tree quickly works his way into their lives. He holds their underwear when the dryer breaks down, hears there when Adam and Lindsay get their first crushes, and hears the centerpiece at their outdoor family parties. With a surprising lack of anthropomorphizing, this is a uniquely poignant celebration of fatherhood, families, love, and change.

*If you need to adding benefit, a must buy book. This really is for all who states that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.*
