## THANKS AND PRAISE: A SUPPLEMENT TO THE CHURCH HYMNAL (HARDBACK)

CANTERBURY PRESS NORWICH, United Kingdom, 2015. Hardback. Book Condition: New. Full music ed. 215 x 140 mm. Language: English . Brand New Book. The Church of Ireland has a successful tradition of publishing supplements containing recent and contemporary compositions to enrich its expression of worship. Its current hymn book was published in 2000 and this new supplement contains some 200 hymns and songs reflecting the best of church music to emerge since the compilation of the most recent edition of the Church Hymnal. The selection includes many hymns and songs, plus a new setting for the Eucharist, short songs and chants - alleluias, kyries, and blessings, a number of items in the Irish language, music from the world church and some completely new compositions and arrangements. Also included are children s songs, easily singable hymns for infant baptism and Lenten hymns. The material is arranged alphabetically with indices which will connect each item with the shape and structure of Church Hymnal and many biblical references. There is also a Liturgical Section which includes two full communion settings, metrical canticles, prayer responses and other short chants. Two years in preparation, the selection has been overseen by a team of parish and cathedral musicians and clergy and has been tested in local parishes. It is fully authorised by the Synod of the Church of Ireland and will be launched at the 2015 Synod. The editorial team includes Bishop Harold Miller (Chair), Peter Thompson, Julie Bell, Alison Cadden, Janet Maxwell and others. Available exclusively throughout Ireland from the Church of Ireland.
