SIMON SCHUSTER, United States, 2015. Hardback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book. Justine Ezarik has been tech-obsessed since unboxing her family's first Apple computer. By sixth grade she had built her first website. A decade later, she became one of the Internet's first-and most popular- lifecasters, inviting people around the world to watch her every move, twenty-four hours a day, seven days a week. Within ten days of release, her 300-page iPhone bill had garnered more than 3 million views and international media attention. These days, iJustine is a one-woman new media phenomenon: The popular techie, gamer, vlogger, and digital influencer has an army of nearly 3.5 million subscribers across multiple YouTube channels, with total views approaching half a billion. Now, Justine is giving friends and fans a look behind the scenes, sharing never-before-told stories about the hilarious (and sometimes heart-breaking) reality of sharing your life online. With her trademark wit and delightfully weird sense of humour, Justine delivers an inspirational message in support of creativity, entrepreneurship, and the power of staying true to yourself, while reminding readers that the Internet is a very small world - you just never know who you're going to meet.
