Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book has actionable strategies on how to succeed without college education! We all know the adage that says that education is the key to better life. While this definition does not go on to tell us whatever form of education unlocks the better life, society has somehow wired us to believe that college/university education is the key to better life. So in essence, we subtly believe that without college/university education, we are destined for mediocrity in life. Do you plan to be a successful entrepreneur one day? Or do you just want to earn sufficient money to buy your own house and give your children good education? Whatever your goals, hopes, and dreams are, you do need to study for it and for that, you need to complete college. Did that shatter your dreams? Can you not afford to attend college for some reason? If yes, then the good news is that success is not just dependent on receiving college education. There are hundreds of well-established and renowned entrepreneurs who did not go to college, or dropped out of college before they could graduate. The fact that they could no longer get college education with their peers did not restrict them from pursuing their dreams. They still went after it and turned them into reality. If they can do it, so can you. If you are determined to accomplish your goals and are courageous enough to beat all odds, you can become successful without going to college. Not being formally educated enough does not mean that you don't have what it takes to fulfill your lifelong objectives, dreams and desires. You need knowledge, courage, strength, perseverance,...
